SACRAMENTO – The Bureau of Cannabis Control (Bureau) will host public licensing workshops in Irvine on January 25 and in San Diego on January 26. The workshop schedule will include a brief overview and then transition to an open house where people can obtain information from and ask questions of different state and local agencies. The workshops are free and do not require registration to attend. Both workshops are scheduled to run from 10 a.m. to 1 p.m.
