BUREAU OF CANNABIS CONTROL LAUNCHES NEW “YOUR QUESTIONS ANSWERED” WEBPAGE

You asked, and we answered! After many popular requests, the Bureau of Cannabis Control (Bureau) is excited to announce the launch of our new searchable database of questions and answers.

The Bureau answers hundreds of great questions daily from inquisitive individuals who wish to better understand the cannabis regulatory structure in California. We scoured our email inbox, call center, and social media responses to find your most common inquiries.

To make this wealth of information available and easily accessible to all, we’ve compiled 100+ of the most common questions and answers into a single searchable database. You may access our new “Your Questions Answered” page here – https://bcc.ca.gov/about_us/your_questions_answered.html

You can perform your own search by following these simple steps:

1. Click the search bar which reads: “Search here”
2. Enter a keyword relevant to your question. (For example, typing in the word “ownership” will populate anything to do with ownership in the search field below.)
3. After locating your specific question, simply click on the text of the question. This will expand the box and display the answer.

You can further filter your search results by selecting one of the tags located on the left-hand column of the page. By selecting a specific tag, only questions with that tag will be displayed.
