

**Bureau of Cannabis Control
CEQA Exemption Petition Form**

(To be completed by applicant – attach additional sheets as needed)

If a previously certified or adopted environmental document is not available or does not exist, you must submit a completed CEQA Exemption Petition Form to request that the Bureau of Cannabis Control (Bureau) consider whether the project is exempt from further CEQA review. You must also submit a completed Project-Specific Information Form to facilitate the processing of your application. The Bureau will use the Project-Specific Information Form to determine whether the project has the potential to generate significant adverse environmental impacts that may require preparation of a CEQA document or the need for additional information. (Cal. Code Regs., tit. 14, § 15060(a) [CEQA Guidelines]).

Please provide detailed responses to the items below. If more space is needed, additional pages may be added. Submit the completed form, attachments, and additional documents with your application for annual licensure. Missing, incomplete, or inconsistent information may delay the processing of your application. Applicants must complete this form to request the Bureau of Cannabis Control (Bureau) to consider whether the project is exempt from further California Environmental Quality Act (CEQA) review when the local jurisdiction from which they received authorization to conduct commercial cannabis activity did not certify a CEQA document.
