MICROBUSINESS CULTIVATION PLAN

Scale: diagram must be to scale and cannot contain any highlighting. All markings on the diagram shall be in black and white ink.

Areas: diagram must be labeled identifying the activities that will take place in each area. The diagram must show the property boundaries, the premises boundaries, dimensions, entrances and exits, interior partitions, walls, rooms, windows, doorways, and common or shared entryways, and include a brief statement or description of the principle activity to be conducted therein.

Requirements for lighting: for indoor and mixed light cultivation, a lighting diagram with the following information shall also be included: location of all lights in the canopy area(s); and maximum wattage, or wattage equivalent of each light.
